Dear Parents/Guardians

Thank you to all of the parents who were able to come out for our Halloween Dance and Remembrance Day Ceremony. It was also great to see everyone that was able to make the Kwata Kets'anda Ku (Learning House in the Woods) Night and the student-led conferences.

If you were unable to make it to the student-led conferences, please contact your child's teachers to inquire about how they are doing in school this year. Please check out our website to see our complete reporting schedule this year. The next thing that you will be receiving in the Interim Report that will come out on December 7th.

Also, just so everyone is aware I will be taking parental leave for two months, January and February. The superintendent will be working with the school council to hire my temporary replacement. We will let everyone know who will be filling in as the principal when we find out in a couple of weeks.

Sincerely,
John Duclos

High Expectations

Encourage your child to do his/her best at all times. Set high but reasonable expectations with your child. In order to do this please converse with your children on a regular basis about goal setting. You can use the following questions as a initial guideline:

1. What are you learning and why is it important?
2. How is it going with your learning?
3. What are your next steps?

These questions work best when you they are connected to the process of learning and your child's personal interests.

HVS Book Fair

Our book fair that was held Oct. 15-18 was a great success! We earned \$543.75 for the school and look forward to having it again next year!

Thank you to all the volunteers and Macs Fireweed bookstore! We couldn't have done it without you!

Electronic Device Rules

Hidden Valley School promotes quality academic experiences, as well as, healthy social relationships and personal development.

The use of any electronic communication devices (ECDs), as well as other electronic games and players are restricted during school hours. Students may only use and possess on their person electronic devices prior to 8:00 am and after 3:10 pm during the school day. As a condition of this permission, all electronic devices must remain off and put away during the school day and students assume all risk of loss, damage or theft of their electronic device.

HVS Fundraising at Raven Recycling

HVS School has an account at Raven Recycling. All funds from refundable items such as pop cans and juice boxes can be donated to Hidden Valley School. If you are collecting points for yourself, you can still do this and have the money portion go to the school. All donations are welcome. We use the funds primarily to support recycling efforts in the school.

Thank you for keeping Hidden Valley School NUT Free.

Halloween Dance

Our students had a great time at the Halloween Dance this year! Thank you to

Ms. Andrea and the Grade 6/7 class for selling items at the bake sale.

Thank you to all the students and parents for coming and donating to the bake sale.
