Hello Hidden Valley Family,

We hope you enjoyed some of the nice weather over the spring break. It is good to be back at school with the warmer weather.

I want to congratulate Jon Allen on becoming our vice-principal. Tracy Hogan has started full time at the school as the physical education and learning assistance teacher. Please welcome Matthew Landry, Georgia Oudzi, and Kelda Lewis as educational assistants.

We are gearing up for spring field trips and overnight trips now that the weather is warming up. We will always need parent volunteers to make many of these trips happen. With the warmer weather, we will be able to safely organize sleeping arrangements, which we were unable to do during the winter months.

If you are interested in volunteering for these trips, please contact the school and the teacher to get the necessary paperwork processed in time. We will be sending out an updated volunteer policy next week, including the mandatory submission of a vulnerable sector check. The implementation of the policy will not limit parents and family members to join their children on outings like skating. The School Council will be reviewing it before we circulate it. If you are available and interested in volunteering at the school, please let us know.

You may have seen some trees around the parking loop have been cut down. The government is preparing the area for a new bus loop and parent drop off sites. We have noticed that the playground feels different with the lack of trees. Therefore, we have requested that they replant trees as part of the project.

Take care,
John Duclos

Hidden Valley Running Club

The grade 2-7 students are invited to join Hidden Valley Running Club!

Running will be every Tuesday and Thursday from 12:00—12:20, starting April 5th.

Runners will have to regularly attend running club if they want to attend the many races throughout the season.

This will take place on the dirt shoulder of MacPherson Road as well as the trails around our school.

Permission slips went home on March 29th. If you didn't receive one and would like to join the club, please see Mr. Mitchell or Mr. Hill.

Boulder Wall

The kids have been having a great time using our boulder wall
A big thank you to the businesses that sponsored our school to make this wall possible!

Floor Hockey Tournament

The Grade 4's and 5's had a lot of fun playing Floor Hockey against Takhini Elementary at their school

Our students represented Hidden Valley very well and were excited to do an activity with another team.
