Student-led Conferences**

Dear Parents/Guardians,

Thank you for booking your child(ren)'s conferences time(s) online at hves.schoolappointments.com.

At this time, the student, parent(s) and teacher will meet together to talk about the learning that has taken place during the term. The conference will take a total of 30 minutes; 15 minutes to review the student's portfolio outside of the classroom, and 15 minutes inside the classroom with the teacher. Your son/daughter knows a great deal about his/her learning and has collected work samples to show you.
